PRAN kiosk

Prandharin Trust is committed to extending medical and health services to every citizen in India and in that context; we are opening a medical kiosk in every city and every village.
We want to reach the faster to the citizen as the demand is very high in the highly-dense area as well as in the rural area in the critical time there is no availability of medical expertise as well as medicines.
Our medical kiosk is the real extension of the life-saving mechanism in the golden hours.

As in the drug industry e-pharmacy is penetrating with the industrial revolution 3.0 for the quality and the availability of the prescribed medicine in time to the customer at the doorstep. And another object of the medical kiosk is to extend real-time life support by providing medicine and instant support.

With the support of the franchise holder of the kiosk, we are extending the real-time live saving mechanism to every citizen of the country and it will be integrated as PRAN.

At the organisation level, we tried to give a reasonably profitable venture to the franchise holder for their service extension and the earned profit by the organisation will be used for the further expansion of the social services.

How to open the franchise of the PRAN kiosk?

1. The minimum investment of the franchise is 15 lakh rupees which include the construction of the prescribed format of the kiosk along with the medical equipment and dispensing of medicines along with OTC services.
2. The franchise holder is required to book the location of the kiosk by paying Five lakh rupees to the Prandharin Trust Account. And rest of the amount can be deposited within one month.
3. Franchise holders can avail of the business loan from the ICICI Bank as we have approached the bank for the extension of the life-saving mechanism at the nearest possible location of the densely situated population or rural population.
4. Franchise fees are non-refundable.

Facilities at the Kiosk:

1. A telemedicine conferencing facility will be available at the kiosk. The franchise holder is supposed to manage the Tele-calling facility to the doctor's centre of the PRANDHARIN TRUST at the time of any patient visit to the Kiosk.

2. The kiosk will be fully loaded with OTC medicines, cosmetics, dispense medicines, SOS medicines, and the doorstep supply of medicines to the clients.
3. We will extend the best possible discount to the clients as we are in the social service sector and promote Generic-branded medicine.

4. Prandharin Trust will make all possible support to the reasonable profit margin of the franchise.

5. All the list of the medicines will be available online to the franchise holders for the order and for keeping stock all the separate lists will be available for managing supply chain management at the kiosk level.

6. The franchise holder will be extended by the sufficient data of the nearest residents for their immediate need of the life-saving system with the help of this franchise the kiosk will able to extend its services in the golden period to the patient.

7. Every kiosk will be integrated with the latest update and availability of the ambulances which will help to reach out to the patient in the critical time.
8. Prandharin Trust is extending medical cover to the citizen with the cashless facility along with pre and post-admission and treatment medicine support. These medicines will be supplied mostly from the kiosk to their doorsteps.

9. All the medicines and consumable equipment which are filled the first time and further any new required inventory will be managed at the kiosk levels. The franchise holder is required to refill in time for managing supply chain management. For refilling after consumption of the first inventory supply, the franchise needs to pay for any new refill.
10. All the kiosk-level extended facilities are listed in Annexure 1
11. All the kiosks will be fully insured from fire, theft and riots.
12. All the kiosks will be loaded with CCTV, and centrally monitored.
13. All the kiosks will be integrated with LED displays.
14. Possible locations of the kiosk from the government end is on Annexure 2

Peripheral support is required to arrange from the franchise holder.
1. Nursing staff round the clock in three shifts.
2. Guard
3. If the franchisee owner is having locations in our desired area then that premises can be used for the kiosk opening. For that required discount can be extended on franchise fees.

Return Guaranteed
1. Prandharin Trust will make it ensure that within the period of the franchise term, the franchise holder will become free from all financial liability.
2. Otherwise PRANDHARIN TRUST takeover the kiosk.
3. After three-year franchises can hand over the kiosk to the Prandharin trust. If he is not looking forward to the same offer.
4. This will be examined by the return of the shares in due course of time.
5. This assurance is made to make a safe investment for the franchise holder.

(PRANDHARIN TRUST) PT-T&C

We, at **PRANDHARIN TRUST** (**"PT", "we," "us"**) provide services to all individuals accessing or using our retail stores or **PT** platform (**"PT Platform "**) for any reason (**"you", "yours", "User"**) subject to the notices, terms, and conditions set forth in these terms and conditions (**"Terms and Conditions", "Agreement"**), read with the Privacy Policy available here. The **PT** Platform is owned and operated by **PT**, a company duly incorporated under the provisions of the Companies Act, 2013. d. The information provided by you may be used by us for the purpose of Services including analysis, research, training and disclosure (where required) to our affiliates, group companies, vendors, agents and government authorities, etc. as stated in our Privacy Policy; and

e. We reserve the right to refuse service or terminate accounts at our discretion, if we believe that you have violated or are likely to violate applicable law or these Terms and Conditions.

3.3.2. **Scope of Services***:*

a. **PT** sells products in various categories such as medicines, medical devices, vitamins and supplements, baby food, personal care, health foods and over the counter drugs, to end customers. **PT** does not sell any drugs listed in Schedule X of the Drugs and Cosmetics Act, 1940 on the **PT** Platform; and

b. **PT** engages in retail sale to end customers through both offline and online channels, i.e. through its outlets / physical stores as well its **PT** Platform. The **PT** Platform will display the inventory of products available in **PT** stores, based on the pin code entered by you on the **PT** Platform.

3.3.3. **Prohibitions:**

a. You may view and access the content available on the **PT** Platform solely for the purposes of availing the Services, and only as per these Terms and Conditions. You may not reproduce, distribute, display, sell, lease, transmit, create derivative works from, translate, modify, reverse-engineer, disassemble, decompile or otherwise exploit the **PT** Platform or any portion of it unless expressly permitted by **PT** in writing;

b. You may not assign, transfer, or sub-contract any of your rights or obligations under these Terms or any related order for Products to any third party, unless agreed upon in writing by **PT**;

c. You may not make any commercial use of any of the information provided on the **PT** Platform;

d. You may not impersonate any person or entity, or falsely state or otherwise misrepresent your identity, age or affiliation with any person or entity;

e. You may not upload any content prohibited under applicable law, and / or designated as "Prohibited Content" under Section 5 below; and

f. You may not resell any Products purchased from **PT** stores or the **PT** Platform.

3.3.4. **Delivery and Charges Policy:**

a. **PT** endeavours to carry out deliveries during and within such time period as communicated on our **PT** Platform and various communication channels. Our services are offered on a best effort basis, and as such we do not" provide any guarantee of the exact delivery time, which despite all our efforts, may vary from order to order, due to certain factors including but not limited to operational disruptions owing to shortage of products

and manpower, strikes, lockouts, official control measures, inevitable delays by our suppliers, rider unavailability, public holidays, product unavailability/shortage, date of delivery, time of delivery, area of delivery, distance from the hub, customer demand, traffic, sudden breakdown of delivery vehicle, weather conditions, force majeure events specified below and/or any other unforeseen reasons beyond our control;

b. **PT** does not guarantee to deliver your order within a period of two hours and delivery within the said timeline is subject to aforesaid multiple factors, as laid out in the present Terms and Conditions, to be read in entirety;

c. **PT** shall endeavour to deliver the order at the delivery address as provided to us while placing the order on our platform. However, any interruption or disruption caused in delivery due to any incorrect details provided to us on the **PT** Platform shall not be our responsibility and any resultant losses/damages caused shall be your sole responsibility and will not be attributable to us in any manner whatsoever;

d. Notwithstanding your request to leave your order at your doorstep or elsewhere, such request cannot be complied with and **PT** shall not be responsible to deliver your order if no one is available to receive the same at the delivery address, inasmuch as it could lead to theft, tampering, spoilage, contamination etc. **PT** shall not be liable for non-delivery or any losses/damages arising from the same in the given case scenario and any losses/damages caused by such circumstances shall be solely borne by you;

e. You shall undertake to provide accurate directions, information and authorisations to accept delivery of your order. Due to your failure to comply with the same, if the order stands undelivered, the order shall be deemed to have been delivered to you and all the risks and responsibilities in relation thereto shall pass on to you;

f. As part of **PT**"s best endeavour to deliver all orders within the promised delivery timeline, our rider may connect with you via mobile or internet call to identify the exact location of delivery. However, in the event you do not pick up the call or the call on the given number does not get connected at the first instance, for any reason whatsoever, the promised delivery timeline shall stand no longer applicable, without prejudice to the fact that the promised time is only an approximate measure of delivery time;

g. The delivery charges associated with each of your purchases will be displayed on the checkout page once you place an order on the **PT** Platform. Any other applicable charges will also be displayed at the time of purchase and will be payable accordingly;

h. Cash on Delivery ("COD") is a payment method by which you can pay for your ordered item(s) in cash when **PT** delivers the orders to you at your delivery address;

i. If you do not own a credit or debit card or do not wish to pay online, rather than making any advance online payment, **PT** COD option gives you the flexibility to pay the complete order amount on delivery through a point-of-service terminal or through cash as the case may be;

j. In the event you choose to pay for your order via COD mode, the riders shall have the right to refuse delivery of your order if you fail to make the complete payment at the time of delivery. In that case, **PT** shall not be liable for any losses or damage arising from non-delivery of the order and the same shall be your sole responsibility;

k. You will be informed once the order is confirmed and when the items are shipped with an update on the approximate delivery time;

l. **PT** makes its best efforts to ship each item in your order within the approximate delivery time intimated to you at the time of placing the order. However, in some cases, it may take longer to ship the order as we may have to procure it from some other stores or our suppliers. In the unlikely event that **PT** is not able to ship your order completely within 36 hours of the order, we shall cancel the remaining unshipped part of the order, and send you a communication informing you about the same. In such cases, your payment against the unshipped part of the order shall be refunded, in the manner you have made the payment, in accordance with the **PT** Payment, Returns and Refund Policy;

m. All applicable refunds will be processed in accordance with the **PT** Payments, Returns and Refunds Policy available on our **PT** Platform;

n. Delivery time periods specified on our platform shall always be non-binding under all circumstances inasmuch as delivery is a sum total of multiple factors that can assume uncertainty at any moment for unforeseen reasons beyond our control;

o. To put forth its best efforts to deliver the order effectively and within the promised timeframe, both internal and third-party entities are engaged by **PT** to carry out deliveries with strict Standard Operating Procedures. Please note that third party services will be governed by their own terms of service and other policies applicable to the corresponding third party and we have no control or connection to it whatsoever and we make no representation or endorsement regarding the accuracy, relevancy, copyright compliance, legality, completeness, timeliness or quality of any product, services, advertisements and other content appearing in or linked to the services of the third party; and

p. **PT** does not make any inter-state deliveries of medicine. Inter-state delivery of medicines is fulfilled through external delivery partners. **PT** may also engage external delivery partners for certain inter-city and local deliveries. Any delay, loss, harm, theft or damage arising from the shipping of products by the external delivery partner is the sole liability of the external delivery partner. **PT** shall not be held liable for the actions of the external delivery partner in any way whatsoever.

3.3.5. **International Delivery:**

International delivery is not available currently. You can access the website to order items while being located anywhere in the world, but the shipping address has to be in India.

3.3.6. **Additional Information:**

a. **PT** shall have the right, at our sole discretion, to refuse or cancel any orders placed for that product, unless the product has already been dispatched; and

b. You will compensate **PT** for any extra cost incurred for redelivery in the event of a non-delivery in the first instance on account of a mistake by you (i.e. wrong name or address or any other wrong information).

3.3.7. **Medicine Delivery Policy:**

a. Valid prescription from a doctor is mandatory for all medicine orders, apart from when the law permits dispatch of medicine without a prescription. You may be requested to upload a scanned copy of the prescription on the **PT** Platform;
b. You agree that the prescription uploaded by you will be examined by a registered pharmacist where applicable or necessary under law, and your order shall be considered confirmed only after the prescription is accepted by the Pharmacist;
c. You agree and consent to the particulars of your prescription will be recorded by **PT** in accordance with its obligations under applicable laws;
d. You may be required to display the prescription, whether offline or online, for the purpose of record keeping by **PT**, at the time of picking up medicines or accepting delivery of medicines through an online order; and
e. **PT** will have a right to reject (either fully or partially) your Order, in case it is found that the prescription shared by you is not as per the relevant applicable statutory requirements and same shall be informed to you through various communication channels.

Brief Information in the format of FAQ:

1. What does setting up a **Kiosk** on a Franchisee basis entail?

Franchising today is one of the most common expansion models which has been adopted by some of the most well-known brands. In the US, more than 65% of the service industry revenue is achieved through 'franchised' outlets. Even in India, it has had significant success with established companies like Archies, Monte Carlo, Mahindra, Lakme etc. A franchisor supports the entrepreneur (the franchisee) with its brand name and also vast industry/business knowledge. As a result, a typical entrepreneur has best of both the worlds, the satisfaction of running his own business and the support of a well-known large organization. Setting up a **Kiosk** on a franchisee basis requires entering into an agreement with PRANDHARIN TRUST (PRANDHARIN TRUST) as the Franchisor. PRANDHARIN TRUST will provide the technical know-how and the franchisee will operate the business.

2. Who is an ideal franchisee for setting up the Kiosk?

Consistently superior quality of services is the cornerstone to ensuring success of the. PRANDHARIN TRUST therefore selects each franchisee with utmost care. A proper due diligence is carried out before finalizing a franchisee. An ideal franchisee will have the following characteristics:

He will have a prior track record of running a successful business venture.

He should be able to devote full time or a significant amount of his time to the Kiosk.

He will have a social standing, enjoy good reputation and exhibit integrity.

He will be genuinely interested in the healthcare sector.

He will strictly abide by the guidelines given by PRANDHARIN TRUST.

Individuals looking purely for quick returns or productive utilization of their idle space or building are not necessarily the right candidates and are likely to be discouraged.

3. What is the first step towards becoming a Franchisee?

Anyone who is interested in becoming a franchisee can contact the Head - Franchise Business of PRANDHARIN TRUST directly by telephone at the TRUST Office or e-mail. He can also apply directly through this website or download the franchisee form and send it to postal address. On receiving the required information, the prospective franchisee will be required to fill and submit a detailed Franchise Application Form. A team from PRANDHARIN TRUST will then meet him and discuss the details of the business and will also assess the franchisee's ability to run PRAN Kiosk.

4. How can a prospective Franchisee obtain detailed information about the project?

If your profile is found suitable and after successful completion of due diligence process you will be required to attend a meeting with our Senior Management at our TRUST office in JIAPUR / LUCKNOW for final selection.

5. What are the formalities involved in selection of a Franchisee for 'PRAN Kiosk'?

Depending upon your conviction about the project and PRANDHARIN TRUST's assessment about your ability to successfully take it forward, a MOU would be signed between PRANDHARIN TRUST and your group. At this point, you would need to pay License fee. This would be followed by a Due Diligence conducted by PRANDHARIN TRUST to assess your financial capabilities. You would also need to form a Private Limited company to establish and operate 'PRAN Kiosk'. Once this process has been completed, PRANDHARIN TRUST will sign a License agreement with your company to officially nominate you as a Franchisee for 'PRAN Kiosk'

6. The best brand in healthcare. A workable business model. A good location. Success is guaranteed, right?

Wrong. The most important ingredient for success is the franchisee himself. His managerial ability, interest in healthcare and extent of personal involvement in the business determines the success of 'PRAN Kiosk'. Which is why, as in all franchise businesses, we have extraordinary performers, average performers and non-performers.

7. How long would it take to start operations from the time of signing the Franchisee Agreement?

The time taken from signing the Agreement to commencing operations depends to a large extent on a few critical factors like, the selection of a suitable site, tying up the finances and completing licensing requirements. Also, the time required for constructing ground up Kiosks is typically longer than that required for establishing Kiosks in existing buildings. If there are no major issues, it is easily possible to commence operations within a time frame of 3-4 months from the date of agreement.

8. Can I form a partnership venture with other business partners for taking **Kiosk** franchisee?

You can decide to partner with anyone else for taking the **Kiosk** franchisee. However, PRANDHARIN TRUST will assess each person individually before signing the agreement. It is also to be noted that the Franchisee Agreement is signed with a limited liability company only. Change in partners/shareholders after the signing of the agreement is restricted by the terms of the agreement.

9. Can a franchisee only be an investor? If I put up funds and agree to a different sharing pattern, is PRANDHARIN TRUST willing to manage the business? Else, can I appoint a professional manager to run the business?

NO

10. What is required in order to set up a Kiosk?

The Kiosk will require an area of about 120-300 sqft at ground floor level and should preferably be close to a large residential area. The area will vary according to the number of specializations being planned. It is envisaged that the Kiosk will be on leased/rented premises. However, franchisees may also consider constructing a separate building, or purchasing existing buildings. With the same line of action PRANDHARIN TRUST is also try to provide the government location for the operation of the kiosk which will be on the disposal of the local authorities who will mark the place accordingly Annexure 3

11. How is PRAN **Kiosk** different from similar establishments run by doctors in my neighborhood?

You can feel the difference between PRAN **Kiosk** and other similar establishments right from the moment you enter the Kiosk. The ambience is designed to provide an experience which is most comforting to the customers. Our clinical as well as non-clinical procedures have been developed after research by a team of specialists from within the PRANFHARIN TRUST. Consultants are selected for the **Kiosk** after being interviewed by a panel of doctors from the PRANFHARIN TRUST. In addition to all of this, PRAN **Kiosk** can enhance its business through referral arrangements with PRANFHARIN TRUST throughout the country.

12. Can the **Kiosk** provide for high-end equipment, for e.g. a CT Scan?

The 'base' model of the **Kiosk** does not contain any high-end equipment. However, depending on the local need-supply gap and the availability of adequate space, we have included other facilities in a number of PRAN Kiosks.

13. What are the value added services that PRAN **Kiosk** provides?

The **Kiosk** also offers tale-medicine facilities. These are for use not only by the consultants practicing in the Kiosk, but also by other physicians as well. While its acceptance is likely to be gradual, we expect such a facility to give the **Kiosk** a competitive edge. PRAN **Kiosk** also provides interface with other Hospital group entities to enhance resource utilization. The **Kiosk** also offers a number of health check packages. In addition, a number of camps have been developed for implementation at the Kiosk, with well established protocols along with RTLS-M. (Real Time lifesaving Mechanism)

14. What is telemedicine? How does it help the Kiosk?

Telemedicine provides the **Kiosk** access to specialists and super-specialists who are located at different parts of the country. This is done using audio-visual devices that connect consultants in one facility (in this case the Kiosk) with specialists and super-specialists in another facility. Doctors and customers in the **Kiosk** have the option of consulting these specialists and super-specialists online without incurring the cost of travel, and within a short span of time. The end result is an expert opinion from a specialist with much less cost. The **Kiosk** benefits by providing additional value-added services to its customers at minimal costs. Currently, the network is extended to consultation with PRAN facilities at Delhi, Chennai, Hyderabad, Kolkata and Ahmedabad.

15. What does PRANDHARIN TRUST do for the franchisee?

The relationship between PRANDHARIN TRUST and the franchisee is modeled on best international franchising systems. As the franchisor, PRANDHARIN TRUST will provide all support for setting up and later running the Kiosk.

The overall scale of operations will ensure that the franchisee enjoys excellent cost competitiveness - both during implementation stage and later during operations.

Given below is a brief description of PRANDHARIN TRUST's **support services to be provided to be franchisee:**

a. **Site selection Do's & Dont's** This is first step of project development, and is the most crucial element of **Kiosk** setup and utmost care should be exercised in choosing the right place for the Kiosk. A set of Do's and Don'ts to be kept in mind while looking for a suitable site for the Kiosk

b. **Architecture & Interior Design** PRANDHARIN TRUST has developed a comprehensive manual incorporating all possible design features to take care of all types of sites (of any size, shape, location, etc).However Based on the manual, PRANDHARIN TRUST 's in-house design team prepares the layout plan for each Kiosk.

c. **Project Execution including Appointment of Contractor** Standardized construction (flooring)/ engineering (air conditioning, electrical, sanitary fixtures etc) materials are negotiated with leading suppliers/ manufacturers to get the most competitive pricing.

d. **Project Financing** Based on a study of the local need-supply scenario, PRANDHARIN TRUST will assist in preparing a Project Report and also assist the franchisee in mobilizing financial resources (in the form of debt), where specifically requested by the franchisee.

e. **Selection and Procurement of Medical Equipment** The franchisee is provided with the list of recommended medical equipment from PRANDHARIN TRUST. These equipment have been selected after exhaustive negotiations with leading suppliers and have the best configuration and prices. The franchisee need not reinvent the procurement process. The equipment package includes adequate warranty and after sales service features.

f. **Selection and Training of Personnel** PRANDHARIN TRUST has a highly structured system for selection and training of medical, para-medical and other administrative/support personnel in a Kiosk. PRANDHARIN TRUST is also directly involved in Screening of key positions in the Kiosk, and a panel from Hospitals is involved in conducting interviews for all key positions in the Kiosk. A 10 day training session is conducted by the PRAN team, for the administrative and technical staff at the Kiosk. Refresher training and upgrades are provided to the employees on a periodic basis.

g. **Kiosk Management Software** PRANDHARIN TRUST has an exclusive basis, **Kiosk** Management Software. This comprehensive software address all medical and non-medical functions of the Kiosk. The software is implemented by PRANDHARIN TRUST /IT partners, and the **Kiosk** staff will also be trained by PRANDHARIN TRUST /IT partners .

h. **Local sales support** PRANDHARIN TRUST's marketing executives will train the franchisee's sales personnel in sales and promotion of the Kiosk. They are actively involved in developing product and pricing strategy and also the pre-launch activities.

i. **On-going Service Quality Training & Monitoring** PRANDHARIN TRUST will carry out periodic medical and service quality audits of the **Kiosk** function, which help in maintaining and improving service quality standards of the Kiosk. This includes regular Clinical and non-Clinical audits, developing standard operating procedures and checklists, and assistance in implementing service quality. PRANDHARIN TRUST also sets and monitors monthly revenue targets for the Kiosks.

16. What are the revenue streams in a Kiosk? And what is the overall profitability?

The **Kiosk** will derive its income broadly from the following services: Consultation including counseling services Diagnostic Services Preventive Health Check Programs Dental Services Treatment room Others (Telemedicine, doctor @home, referrals etc) The **Kiosk** is expected to generate revenue through all of the above sources. It is also expected that there will be a large degree of cross-referrals between various revenue generating streams.

17. What does PRANDHARIN TRUST charge as fees?

PRANDHARIN TRUST charges an 'Initial License Fee' at the time of signing the Agreement . This license is valid for a period of Five (5) years, which is the tenure of the License Agreement. As royalty fee, PRANDHARIN TRUST will charge a percentage of the gross turnover of the **Kiosk**, which will be payable on a monthly basis. * Initial License Fee and Operating License Fee may be revised at PRANDHARIN TRUST 's discretion.

18. Will PRANDHARIN TRUST make investment (even a token amount) in these Kiosks?

Since the chain of PRAN **Kiosk** is being set up on a franchise basis, the franchisee will be responsible for the entire investment. Where requested, PRANDHARIN TRUST will assist the franchisee in arranging term loan from a bank. However, PRANDHARIN TRUST will not make any investment in the Kiosk. It will also not give any guarantee to the lender.

19. If a PRAN **Kiosk** is set up in a city where a full-fledged hospital already exists, will it not mean unnecessary competition within the same organization?

PRAN **Kiosk** shall focus on primary healthcare. We do not perceive any competition from the existing facilities which are mostly secondary and tertiary care facilities. Secondly, no two PRAN kiosk facilities would be operating in the same territory as any other PRAN facility. In fact, such facilities would create synergy in terms of referrals.

20. What will be the name of the Kiosk? Can the name be altered or modified?

Every **Kiosk** will be called "PRAN Kiosk". No deviations are allowed. The name and signage has been standardized and no deviation, beyond PRANDHARIN TRUST’s stated guidelines, will be permissible.

21. What is the growth plan for the Kiosk? Can I ever own an PRAN franchised hospital?

Currently our focus is on primary healthcare as it is an area with tremendous unexplored and unutilized potential. The growth of Kiosks is envisaged in terms of geographical expansion or/ and sub-franchising as also through introduction of additional facilities. However, we cannot rule out the possibility of setting up hospitals at a later stage.

22. How are the physicians going to be associated with the Kiosk?

The **Kiosk** will have a Consultant General Medicine, Pediatrician, Gynecologist and a Cardiologist. These physicians will form the core team, but besides the Consultant General Medicine, all other specialty doctor will not normally be on the full time rolls of the PRANDHARIN TRUST. Apart from them, the **Kiosk** will have a group of visiting consultants from various disciplines like General Surgery, Orthopedics, Endocrinology, Urology etc. The **Kiosk** will also have a nursing staff on its full time roll. The hours of employment may however be decided based on the local conditions. The Consultant General Medicine will take care of the preventive Health Checks programs too. All other doctors will be consultants.

23. How would doctors and technical staff be recruited? What will be PRANDHARIN TRUST role in this?

The method of employment of doctors would vary from city to city. PRANDHARIN TRUST will assess the financial implications on the business and recommend full time employment, revenue sharing based association or any other method that is considered appropriate. Good technical staff is adequately available in the market. PRANDHARIN TRUST shall help in recruiting such all key staff by designing advertisements, conducting interviews, and short listing.

24. What would be the profile of a typical **Kiosk** Manager?

The professional manager should preferably be excellent managerial skills, marketing acumen and a flair for customer relationship management. He would have about 2-3 years of work experience, preferably in a primary healthcare facility. Doctors in administration may also fit the profile.

25. How many people do I need to employ to run the **Kiosk** operations?

Typically staffing requirements in India vary between 2 to 5. Actual staffing could vary depending on a number of variables including the number of facilities set up and the number of floors occupied by the Kiosk.

26. Can the **Kiosk** provide for high-end equipment, for e.g. a CT Scan?

The 'base' model of the Kiosk does not contain any high-end equipment. However, depending on the local need-supply gap and the availability of adequate space,

27. Can I invest in 10 Kiosks in different locations at a single time? What are the economies of scale involved for the franchisee in such a case?

We would like to allocate a Franchise only for one **Kiosk** in the beginning. Based on the business performance and customer feedback, we would consider allocating licenses for more Kiosks.

28. Are the locations for opening a PRAN **Kiosk** restricted? Can the Kiosks be set up anywhere in India or abroad?

PRANDHARIN TRUST has prioritized certain cities based on Market Surveys conducted for the establishment of new Kiosks. Some of these cities are being considered for implementation in the first phase itself. Other cities

shall be covered in the second and third phase. We foresee completion of all three phases in the next 1 year itself. For information regarding specific locations, please contact our PRANDHARIN TRUST office.

29. What are preventive health-checks and how important are they?

Preventive health-checks are checks performed on individuals to determine the stat of their health by carrying out a series of diagnostic tests. Preventive healthcare is catching up in bigger towns and cities. There is already a lot of Clinical business in this area. We intend to popularize the maxim of "Prevention is better than cure" through our marketing programs. Very soon, with the entry of private insurance companies, preventive health checks will become a norm. Insurance companies would certainly prefer paying for pre-insurance health checks than settling large hospitalization bills. Secondly, while allotting an insurance policy to anybody; insurance companies would rather have an institution certifying the health of a prospective customer as against an individual.
